FEARIS.

It seems the G. A. R. Committee wants the Memorial Day services to take place on Mower Park or the M. E. Church here.

All you distinguished comrades of Croxton Post come out to G. A. R. meeting on the Campground May 7th at 2 p. m.

W. H. Bonhijo and wife, James Waldron and wife of Trinity and others from here attended Oddfellows dinner at Ruggles Campground Tuesday of last week.

The three frosts of last week did very little damage but the freeze and frost of Saturday night and Sunday morning—23d inst., 24th inst.—gave about everything green a black eye. We have examined the fruit on the uplands and find it all as black as Dick's hat-band. The locust, mulberry, paw-paw and hackberry bloom are all drooping like the weeping willow and a good part of the tree foliage looks as if Jack Frost was too cool for it. Now if some optimist will tell us why such changeable weather is best for the fruit crop the pessimists want to hear from him.

Limestone Lodge No. 36, K. of P., will confer the Knight Rank on a class of twenty-six candidates this evening. All members of the Knight Team will please report.

The Pendleton county tobacco growers who were fined \$1,000 in the Federal Court about two weeks ago for taking out Frank Eckler, a tobacco buyer and handler, and mistreating him, will not appeal the case to the Supreme Court, but will pay the fine.

Doan's Kidney Pills never fail you.

Maysville people know this.

Read this Maysville case.

Read how Doan's stood the test

For three years.

It's local testimony and can be investigated:

William H. Paul, 333 East Third street,

Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon gave me relief. I cheerfully recommend this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been permanent and I am now in good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

VICTORY FOR EDUCATION

School Boards Have Authority to Use All Money Collected

The Court of Appeals rendered an important decision that means much for the cause of education in Kentucky. The Court affirmed the judgment of the Logan Circuit Court, holding that the County Board of Education has the power and authority to use all of the money levied and collected for school purposes in the county, and may use its discretion as to how the money should be spent. The Fiscal Court is required by law to levy a sufficient tax to raise the amount of funds asked for by the Board of Education, provided such amount will not require the tax rate to exceed 20 cents on the \$100 of the assessed valuation of taxable property subject to taxation for school purposes and \$1 poll or capitation tax.

Every Year

When you revive the furniture from its winter sleep you ought to add some little thing that will make your home permanently better. You have a battered, dingy chair, perhaps a table, a bookcase—some part of your household equipment is worn out and needs replacement. Make sure that the new piece is durable and of a good quality, so that you can hand it down as a family heirloom. High-class furniture, such as "Karpen" makes, costs little more than the cheap kinds. It makes your home a little better each year. With our easy payment plan it is delightfully simple to add these better things to your home. Beds, made in metal by several of the best designers in the country. Wood Suites, in the finer woods, especially one complete suit in CIRCASSIAN WALNUT of unusual beauty. Chairs for every room; Dining Chairs of rich golden oak, early English and mahogany. Rockers and Arm Chairs that make rest a pleasure. Dining Tables of oak and early English; some square, some round, some with five legs, others with center pedestal and famous Tyden lock. Tables for the dining-room of all widths and in eight, ten and twelve-foot lengths. Parlor Suites of three pieces and more, supplemented by Davenport and Odd Chairs that harmonize perfectly. Many Suites in mahogany and the finest grained oak.

BRISBOIS and DIENER.
